Bryn Aled Chan Griffiths (Soberdose / Bryn Griffiths) — DEAD ZERO RECORDS S. DE R.L. DE C.V.

Contract No. DZR-2026-BG-001

 **IMPORTANT NOTICE:** This document is an informal reference translation provided to assist the Artist in understanding the Spanish-language contract. It is not a legally binding document. In case of any discrepancy between this translation and the original Spanish contract, the Spanish version prevails as agreed in Clause 14 BIS.

GLOSSARY / DEFINITIONS

For purposes of this Agreement, the following terms shall have the meanings set forth below, whether used in singular or plural:

- 1. WORK (Composition):** The musical work in its authorial sense (music and/or lyrics), independent of any recording.
- 2. PHONOGRAM / MASTER:** The sound fixation of a performance/execution of a WORK — i.e., a recording, including versions, mixes and final master, capable of commercial exploitation.
- 3. ONE-STOP:** A situation in which THE LABEL/PUBLISHER has sufficient authority to grant, on its own: (i) 100% of authorizations over the WORK (composition) for synchronization; and/or (ii) 100% of authorizations over the PHONOGRAM (master) for Master Use — without requiring additional third-party authorizations.
- 4. RIGHTS CLEARANCE:** The process of verifying and obtaining authorizations and documentation necessary to exploit or license a WORK and/or PHONOGRAM (holders, percentages, samples/third-party material, chain of title and supporting documentation).
- 5. SYNCHRONIZATION:** A license/authorization to fix or incorporate a WORK in conjunction with images or audiovisual content (films, series, commercials, videogames, social media, etc.).
- 6. Phonogram Use (Master Use):** A license/authorization to use a specific PHONOGRAM in audiovisual content or a specific use, independent of the synchronization license for the WORK.
- 7. ANNEX 1 — SONG PERCENTAGE SHEET:** A per-song form identifying the WORK and/or PHONOGRAM and establishing, confirming, and signing the applicable ownership percentages — forming an integral part of this Agreement.
- 8. Authorship Percentage:** Ownership percentages in the WORK (composition) attributable to authors and/or holders/publishers, which must collectively total 100% of the composition.
- 9. Phonogram Percentage (Master):** Ownership percentages applicable to the PHONOGRAM (master), which must collectively total 100% of the PHONOGRAM.
- 10. Works/Phonograms List:** Consolidated list (Annex 1A) that may enumerate WORKS/PHONOGRAMS and metadata; in case of discrepancy, the signed ANNEX 1 for the relevant song prevails.
- 11. EDITORIAL ADMINISTRATION:** The powers to manage, register, administer and collect patrimonial royalties for the WORK with collective management organizations and/or payers, for the agreed term, without implying assignment of moral rights.

12. EDITORIAL CONTROL FOR SYNCHRONIZATION: Authority to approve, negotiate and formalize synchronization licenses for the WORK, and to conduct the corresponding RIGHTS CLEARANCE process.

13. ANNEX 2 — THIRD-PARTY LICENSES: Annex where licenses and written permissions for SAMPLES and/or third-party material are declared and/or attached, when applicable.

14. ANNEX 3 — PERMANENT ADHESION AND ONE-STOP AUTHORIZATION: Document by which a third-party rights holder adheres to the Main Agreement and authorizes THE LABEL/PUBLISHER to license their participation per the corresponding ANNEX 1.

15. ADHERING PARTY: Any third party who signs ANNEX 3, bound to this Agreement only regarding their own participation in the WORKS/PHONOGRAMS where they sign the corresponding ANNEX 1.

16. COVERED WORKS: Those WORKS and/or PHONOGRAMS for which an ADHERING PARTY has signed ANNEX 1, activating that party's authorizations per their ANNEX 3.

17. SAMPLES / THIRD-PARTY MATERIAL: Any use of pre-existing recordings, third-party compositions, interpolations or material owned by a third party that requires written authorization/license for exploitation; documentation must be attached in ANNEX 2 when applicable.

In case of interpretive doubt, the terms of this Glossary shall be understood in accordance with applicable law and, supplementarily, with reasonable customs and practices of the music industry.

CLAUSES

1. SUBJECT MATTER; SCOPE LIMITED TO ANNEX 1. This Agreement governs (i) the production and exploitation of phonograms (masters) and (ii) editorial administration and synchronization licensing of musical works (compositions), exclusively for those WORKS and PHONOGRAMS identified in a signed ANNEX 1. The parties may incorporate additional works by signing new ANNEX 1 sheets. Each additional ANNEX 1 forms an integral part of this Agreement.

2. OWNERSHIP OF THE MUSICAL WORK. THE ARTIST declares they are the owner of the authorial rights over the WORKS covered, which are considered original and free from third-party conflict, except as expressly declared in Annex 2.

3. RIGHTS OVER PHONOGRAM AND WORK; EDITORIAL ADMINISTRATION AND SYNCHRONIZATION. A) Phonogram (Master): THE LABEL/PUBLISHER acts as Phonographic Producer and, as such, shall be owner of the PHONOGRAM (master) and the corresponding patrimonial exploitation rights, with worldwide scope and for the full legal protection term. B) Musical Work (Composition): THE ARTIST retains their moral rights and the corresponding patrimonial ownership of the WORK at all times. THE ARTIST grants THE LABEL/PUBLISHER, during the 'Editorial and Synchronization Term' defined in Clause 5, (i) a mandate/authority to administer, register, manage and collect royalties for the WORK, and (ii) an exclusive license/authority to negotiate, authorize and formalize synchronization licenses for the WORK. Distributions to THE ARTIST shall be made per the percentages in ANNEX 1; the editorial administration commission is established in Clause 9 BIS.

3 BIS. ONE-STOP; GUARANTEE OF FULL CONTROL AND ADHESIONS. 1) Definition: 'ONE-STOP' = authority to license 100% of (a) WORK and (b) PHONOGRAM in ANNEX 1 without additional authorizations. 2) THE ARTIST guarantees only their own participation; if there are third parties (co-authors, co-producers, guest performers, labels, publishers, administrators, etc.), they will notify and arrange for their ANNEX 3 signature to complete ONE-STOP. 3) THE LABEL/PUBLISHER may only offer a work as 'ONE-STOP' if it has: (a) ANNEX 1 signed by all necessary parties to complete 100% of composition and 100% of master; (b) applicable third-party licenses in ANNEX 2; and (c) reasonable RIGHTS CLEARANCE documentation. 4) If there are samples/interpolations/third-party material, it will not be ONE-STOP until written licenses are in place in ANNEX 2.

4. PRODUCTION LICENSE. THE ARTIST grants THE LABEL/PUBLISHER a worldwide license over the WORKS in ANNEX 1, to the extent necessary for recording, fixing, manufacturing, distributing and exploiting the PHONOGRAM, including all related acts of reproduction, distribution, public communication and making available. This license is granted for the full legal protection term of the PHONOGRAM.

5. DURATION; TERRITORY; AUTOMATIC RENEWAL. 5.1 Territory: Worldwide. 5.2 Phonograms (Masters): THE LABEL/PUBLISHER's ownership of the PHONOGRAM (master) is granted worldwide and for the full applicable legal protection term. 5.3 Editorial and Synchronization Administration: The editorial administration and synchronization licensing for each WORK has an initial term of FIVE (5) years from the date the corresponding ANNEX 1 is signed. It automatically renews for successive 5-year periods unless either party provides written notice of non-renewal at least SIXTY (60) days before the end of the current period. 5.4 Additional Works: Each new ANNEX 1 generates its own Editorial and Synchronization Term independently. 5.5 Subsequent Effects: Termination or non-renewal does not affect (i) licenses granted to third parties before termination, nor (ii) THE LABEL/PUBLISHER's obligation to account for and pay previously accrued income, nor (iii) post-termination provisions of this Agreement.

6. ARTIST'S OBLIGATIONS. a) Attend recording sessions punctually with the work memorized and rehearsed. b) Re-record when necessary to meet technical and artistic standards. c) Not incorporate third-party works, SAMPLES or pre-existing recordings without written licenses (Annex 2). d) Not re-record or authorize commercial re-recordings of the same WORKS during the Editorial and Synchronization Term plus 12 months thereafter, without written authorization. e) Allow THE LABEL/PUBLISHER to carry out administrative or registration proceedings before SOCAN, BMI, INDAUTOR or other relevant organizations. f) Provide graphic materials, logos and biographical data and authorize their promotional use. g) Sign documents reasonably necessary for exploitation, registration and licensing of the WORKS and PHONOGRAMS.

7. LABEL/PUBLISHER'S OBLIGATIONS. a) Supervise the artistic and technical production of the phonogram. b) Register, at its expense, the WORKS and PHONOGRAMS with SOCAN, BMI, INDAUTOR and other relevant organizations. c) Credit THE ARTIST as performer in covers, credits and promotional materials where technically and creatively feasible. d) Issue reports and pay royalties as agreed in this Agreement. e) Actively promote commercial exploitation of the WORKS and PHONOGRAMS through digital platforms, synchronization, aggregators and other channels. f) Maintain digital backups of PHONOGRAMS (masters), contracts and key documentation. g) Issue royalty reports quarterly, within 30 natural days of the close of each calendar quarter.

8. ROYALTIES. 'Net Income' means the gross amount actually received by THE LABEL/PUBLISHER from exploitation and/or licensing of the WORK and/or PHONOGRAM, less: (i) platform/aggregator/distributor/management entity commissions; (ii) banking and processing fees; (iii) passed-on indirect taxes (e.g. VAT); and (iv) direct, reasonable, verifiable costs attributable to obtaining the income, including promoter/agent/intermediary commissions and, where applicable, THE LABEL/PUBLISHER's sales commission as agreed in this Agreement, provided it is disclosed in the account statement. General overhead is excluded, unless otherwise agreed in writing. Percentages: as specified in Annex 1; the signed Annex 1 per song prevails in case of discrepancy. Royalty payments are made only once the amounts accrued in THE ARTIST's and/or the corresponding holder's favor reach a minimum of MXN \$1,000.00 net before applicable taxes and withholdings. Once the minimum is reached, THE LABEL/PUBLISHER shall make payment within 30 (thirty) natural days following the applicable cut-off date. Audit Right: THE ARTIST may audit the books and records reasonably related to royalties once per year at their cost, with at least 10 business days' prior written notice. If an audit reveals a discrepancy in THE ARTIST's favor exceeding 5%, THE LABEL/PUBLISHER shall bear the reasonable cost of the audit.

8 BIS. INTERNATIONAL PAYMENTS. When THE ARTIST requests payment to an account outside Mexico or in a currency other than Mexican Pesos, THE LABEL/PUBLISHER may pay via international bank transfer or another mutually agreed method. Banking and intermediation fees directly associated with the payment will be deducted from the amount payable, unless otherwise agreed.

9. ROYALTIES REPRESENTATION (SOCAN). The parties acknowledge that THE ARTIST is an active member of SOCAN (Composer ID: 12485951). Without prejudice to that membership, DEAD ZERO RECORDS is expressly authorized, during the applicable Editorial and Synchronization Term, to collect from SOCAN, BMI or other collective management organizations the amounts corresponding to the percentages declared in ANNEX 1, with respect to uses managed directly by THE LABEL/PUBLISHER. DEAD ZERO RECORDS shall pay THE ARTIST the corresponding economic participations per this Agreement.

9 BIS. EDITORIAL ADMINISTRATION COMMISSION (WITHOUT OWNERSHIP). During the Editorial and Synchronization Term, and only on editorial income that THE LABEL/PUBLISHER administers or collects for the WORK, THE LABEL/PUBLISHER shall retain an administration commission of 20% (TWENTY percent) on amounts

actually received, unless the parties agree in writing to a different basis. This commission does not imply any assignment of patrimonial authorial rights; THE ARTIST retains ownership and THE LABEL/PUBLISHER acts solely as administrator.

10. REGISTRATION POWERS (SOCAN/BMI/INDAUTOR). THE ARTIST expressly authorizes DEAD ZERO RECORDS to carry out registration proceedings before SOCAN, BMI, INDAUTOR and other relevant organizations on their behalf regarding the WORKS and PHONOGRAMS in ANNEX 1, including submitting applications, signing forms, receiving certificates, making corrections and complementary registrations — without implying any assignment of moral rights or modification of recognized ownership.

11. ASSIGNMENT AND LICENSING TO THIRD PARTIES. THE LABEL/PUBLISHER may assign, license, sublicense or transfer the patrimonial rights and powers acquired under this Agreement to third parties, whether individuals or companies, national or foreign, without requiring THE ARTIST's prior authorization, for distribution, editorial, administrative, synchronization or commercial exploitation purposes. In all cases, THE LABEL/PUBLISHER must respect its reporting and royalty payment obligations per this Agreement. In no case shall an assignment or sublicense alter THE ARTIST's percentages established in ANNEX 1.

12. NATURE OF THE RELATIONSHIP. This Agreement does not create an employment, subordinate or exclusive services relationship. THE ARTIST acts as an independent professional, without schedule, salary, subordination or exclusivity toward THE LABEL/PUBLISHER.

13. DATA PROTECTION. The parties undertake to protect personal data in accordance with applicable Mexican law (LFPDPPP) and, to the extent applicable, Canadian law (PIPEDA/PIPA), as well as any other applicable data protection regulations based on the parties' residence or nationality.

13 BIS. NOTICES. All notices may be made in writing, including by email, to the addresses specified in the REPRESENTATIONS section and/or in ANNEX 1 and/or ANNEX 3. Notices are deemed received on the same business day of sending when there is an automatic acknowledgment or technical evidence of delivery.

13 TER. FORCE MAJEURE. Neither party shall be liable for non-performance due to fortuitous events or force majeure, including generalized failures of digital platforms, government orders, labor disputes, natural disasters or payment system failures.

13 QUATER. ELECTRONIC SIGNATURES AND COPIES. This Agreement and its annexes may be executed by handwritten signature, electronic signature (simple or advanced) and/or by scanned copies or digital reproductions (PDF), which shall be valid and enforceable between the parties. THE ARTIST shall complete ANNEX 4 and attach a legible copy of their valid official ID.

13 QUINQUES. CONFIDENTIALITY. The parties undertake to maintain confidentiality over commercial terms, percentages, account statements, contacts, negotiations, rates and RIGHTS CLEARANCE documentation, except: (i) legal obligation; (ii) requirement from management entities, aggregators, licensees, auditors or advisors; (iii) written consent; or (iv) controlled commercial disclosure for promotion, pitching and license/sales closing (including synchronization), preferably under NDA. This obligation survives for 5 years after termination.

14. JURISDICTION. For the interpretation, performance and enforcement of this Agreement, the parties submit to the applicable federal laws of the United Mexican States and to the jurisdiction of the competent courts of Guadalajara, Jalisco, waiving any other jurisdiction that may correspond to them.

14 BIS. LANGUAGE. This Agreement is drafted in Spanish. In case of translation for operational or commercial purposes, the Spanish version shall prevail in case of discrepancy, unless the parties expressly agree otherwise in writing.

15. GOOD FAITH. Both parties declare that they have read, understood and accepted the content of this Agreement, entering into it in good faith.

16. ARTISTIC AND TECHNICAL QUALITY CONTROL. THE LABEL/PUBLISHER may reject recordings, audio files, lyrics or graphic materials that do not meet technical or aesthetic standards established by its production or artistic direction team. THE ARTIST undertakes to correct or re-record without additional compensation any material that fails to meet said minimum conditions, provided they are given reasoned notification.

17. USE OF IMAGE, NAME AND VISUAL ELEMENTS. THE ARTIST authorizes THE LABEL/PUBLISHER to use their artist name, voice, image, signature, photograph, logos, personal brands and other visual or symbolic identification elements related to their professional career, for promotion, distribution, commercial exploitation, synchronization, advertising, social media, graphic and video materials — in direct relation to the WORKS and PHONOGRAMS in Annex 1. This authorization is valid worldwide, for the full term of this Agreement, without additional payment, unless otherwise agreed.

18. INTERNAL USE OF WORKS BY THE LABEL/PUBLISHER. THE ARTIST expressly authorizes THE LABEL/PUBLISHER to use the WORKS and PHONOGRAMS in Annex 1 in its own internal projects produced exclusively by THE LABEL/PUBLISHER, such as institutional commercials, series, documentaries, short films, DJ mixes by affiliated DJs, audiovisual content, official YouTube channels, promotional compilations, etc. — in formats where no external entities participate as owners. This use requires no additional authorization or separate payment, provided that patrimonial rights and agreed royalties are respected, the moral integrity of the work is not altered, and THE ARTIST is credited when technically and creatively possible.

18 BIS. DERIVATIVE PROJECTS (SAMPLING/INTERPOLATION). THE ARTIST authorizes THE LABEL/PUBLISHER to use (sample/interpolation) fragments of WORKS and/or PHONOGRAMS from ANNEX 1 in new projects produced by THE LABEL/PUBLISHER ('DERIVATIVE PROJECTS'), solely for exploitation controlled by THE LABEL/PUBLISHER. If the DERIVATIVE PROJECT incorporates composition from ANNEX 1, the holders of that composition shall collectively receive a minimum of 10% of the publishing of the DERIVATIVE PROJECT; if it incorporates a direct sample of the PHONOGRAM's audio, the PHONOGRAM holders shall collectively receive 10% of the Net Income received by THE LABEL/PUBLISHER from the master of the DERIVATIVE PROJECT.

19. MERCHANDISE AND COMMERCIAL USE OF IMAGE AND WORK. THE ARTIST authorizes THE LABEL/PUBLISHER to design, manufacture, market, distribute and sublicense merchandise related to their image, artist name, signature, voice, WORK titles, cover art, lyrics or any other visual or textual element associated with the WORKS and PHONOGRAMS in Annex 1. Income from this exploitation shall first cover all direct and indirect production, manufacturing, logistics, commission, distribution and promotion costs. Net profits after such deductions shall be split between THE LABEL/PUBLISHER and THE ARTIST as they agree in writing.

20. INTERNATIONAL EDITORIAL ADMINISTRATION. THE ARTIST authorizes THE LABEL/PUBLISHER to register, represent and administer their editorial participation in the WORKS in Annex 1 with collective management organizations nationally and internationally, such as SOCAN, BMI, ASCAP, SACM, PRS, SESAC, GEMA or equivalent bodies. This authorization is granted on an exclusive basis for synchronization purposes during the term of this Agreement, and for administration/collection purposes per Clause 3.

21. SYNCHRONIZATION; SALES COMMISSION; ALLOCATION; PRE-APPROVAL AND PROHIBITED USES. During the Editorial and Synchronization Term, THE LABEL/PUBLISHER may negotiate and grant SYNCHRONIZATION and Master Use licenses for the WORKS and PHONOGRAMS in ANNEX 1. a) Licensing authority: THE LABEL/PUBLISHER is empowered to negotiate, enter into and execute the necessary SYNCHRONIZATION and Master Use licenses without prior notice, consultation or authorization from THE ARTIST, provided that income is distributed per this Agreement. b) General allocation: Sync, Master Use and related license income is managed by THE LABEL/PUBLISHER and distributed per the percentages in Clause 8 and ANNEX 1. c) Sales commission: When a third-party promoter, agent or collaborating entity is used to obtain/close a license, a sales commission not exceeding 30% of the gross amount received may be recognized, unless otherwise agreed in writing. d) Global payments (flat fee) and 50/50 rule: When a license includes a flat/global payment and the licensee does not expressly break down the amount between SYNCHRONIZATION and Master Use, the remainder shall be split 50% for the WORK and 50% for the PHONOGRAM. e) ONE-STOP condition: THE LABEL/PUBLISHER may only offer a WORK/PHONOGRAM as 'ONE-STOP' when it has control and authority to license 100% of the composition and 100% of the master. f) Pre-approval (except veto list): THE ARTIST grants advance approval for synchronization and Master Use licenses over the WORKS/PHONOGRAMS in Annex 1, EXCEPT for: (i) political party campaigns or propaganda; (ii) explicit pornography; (iii) hate speech or discrimination; (iv) direct advertising of illegal weapons; (v) deepfakes or impersonation of THE ARTIST; and (vi) false attribution of personal endorsement by THE ARTIST. THE LABEL/PUBLISHER shall not authorize synchronizations in said cases.

21 BIS. DELIVERABLES AND MATERIALS FOR LICENSING. THE ARTIST undertakes to provide, upon reasonable request by THE LABEL/PUBLISHER within 10 business days: lyrics, complete metadata, high-resolution WAV masters, instrumental version, a cappella version (if available), clean/radio edit versions (if requested), multitrack stems or alternative mixes, and technical duration edits for picture adjustment.

21 TER. COOPERATION; CUE SHEETS; OWNERSHIP CERTIFICATES. THE ARTIST undertakes to sign and/or provide, within a reasonable period not exceeding 10 business days from the request, documents required by licensees, music supervisors, publishers, aggregators or platforms to establish ownership and one-stop status. Unjustified failure to deliver may constitute breach for purposes of lost commercial opportunity.

21 QUATER. POST-TERMINATION EFFECTS FOR LICENSES AND COLLECTION. Notwithstanding termination or expiration of this Agreement: (i) any synchronization license, Phonogram Use, sublicense or authorization validly granted during the term shall remain in effect per its own terms and shall not be revoked; (ii) THE LABEL/PUBLISHER shall retain the power to collect, gather and administer income derived from exploitations

authorized during the term; and (iii) THE LABEL/PUBLISHER shall continue to account for and pay THE ARTIST royalties for such income.

22. LIABILITY FOR USE OF THIRD-PARTY MATERIALS. THE ARTIST shall be solely responsible for obtaining, presenting and paying all licenses necessary for the use of SAMPLES, pre-existing recordings, derivative works, arrangements, lyrics or any other material not authored by them, used in the WORKS or PHONOGRAMS in Annex 1. THE LABEL/PUBLISHER shall be free of any liability arising from omissions or conflicts related to the use of such elements.

22 BIS. ADDITIONAL REPRESENTATIONS AND WARRANTIES; INDEMNIFICATION. A) Scope by participation: THE ARTIST represents and warrants only with respect to their own participation that: (i) they have not assigned, licensed or encumbered it in favor of third parties, nor does any prior agreement restrict the authorizations granted herein; (ii) they have obtained any necessary authorizations from third parties participating within their percentage; (iii) there are no known claims, litigation or encumbrances affecting the exploitation of their participation; and (iv) if there is third-party material (samples/interpolations), licenses will be attached in Annex 2. C) Indemnification: THE ARTIST undertakes to indemnify and hold harmless THE LABEL/PUBLISHER, its assignees and licensees from any claim, damage, loss, cost or expense (including reasonable legal fees) arising from breach of the foregoing warranties regarding their participation.

23. ALTERNATIVE DISPUTE RESOLUTION. In case of dispute, the parties agree to exhaust alternative dispute resolution methods — direct negotiation or mediation — before resorting to judicial proceedings, and may, if they agree, engage CANIME or any other mutually recognized body.

23 BIS. ENTIRE AGREEMENT AND MODIFICATIONS. This Agreement constitutes the entire agreement between the parties regarding its subject matter and supersedes any prior understanding. Any modification must be in writing and signed by both parties.

23 TER. SEVERABILITY. If any provision is declared null, illegal or unenforceable, the remaining provisions continue in full force. Each ANNEX 1 is independent; any conflict over one song only affects that song and does not invalidate the Agreement or other songs.

23 QUATER. BREACH, CURE PERIOD, TERMINATION AND EFFECTS. A) Material breach: Either party may require correction of material breach. B) Notice and cure period: The breaching party shall have 15 business days to remedy the breach. C) Termination: If material breach is not remedied within the applicable period, the affected party may terminate without judicial declaration. No cure period is required for fraud, intentional misrepresentation, or irreparable breach. D) Survival: Termination or rescission shall not affect: (i) licenses/authorizations granted to third parties; (ii) THE LABEL/PUBLISHER's power to collect and distribute income generated during the term; and (iii) obligations that survive by their nature (confidentiality, audit, accounting, balance payments, indemnification, severability). E) Final accounting: Within 30 days of the effective date of termination, THE LABEL/PUBLISHER shall issue a final account statement. F) Master: Termination or rescission does not affect THE LABEL/PUBLISHER's ownership of the PHONOGRAM (master) per Clause 3.

24. EXPANSION OF AGREEMENT BY ANNEXES. The parties may expand the subject matter of this Agreement by signed annexes incorporating new WORKS, PHONOGRAMS, dates, ownership percentages or other particular conditions, without the need to enter into a new main agreement. Without a signed Annex, no additional work is deemed included.

24 BIS. SHARED ANNEXES; ADHERING PARTIES; CONFIDENTIALITY OF PERCENTAGE SHEETS. ANNEX 1 (SONG PERCENTAGE SHEET) and, where applicable, ANNEX 3 (PERMANENT ADHESION AND ONE-STOP AUTHORIZATION) may be signed as independent and/or shared documents with other collaborators (co-authors, performers, producers, featured artists or other rights holders), incorporated by reference. Third parties signing ANNEX 3 are bound to this Agreement only regarding their own participation in the WORKS/PHONOGRAMS where they sign the corresponding ANNEX 1, and only regarding: one-stop authorization and RIGHTS CLEARANCE, representations and warranties, non-conflict, indemnification, cooperation and document delivery, electronic signatures, applicable law and jurisdiction. Other commercial or personal obligations between THE ARTIST and THE LABEL/PUBLISHER are not enforceable against Adhering Parties, unless expressly agreed in writing.

No additional royalties or credits required to Splice or to the sound creator.

ANNEX 2 — THIRD-PARTY LICENSES

A) SPLICE SOUNDS (PRE-LICENSED THIRD-PARTY MATERIAL) — ALL SONGS

Splice Sounds are a subcategory of SAMPLES (third-party material) whose usage rights have been pre-licensed by their holders through the Splice.com platform. Per Splice.com's Terms of Use (section 3.1.1), the subscriber obtains a non-exclusive, non-transferable, perpetual, worldwide license to use downloaded sounds in new musical productions for commercial and non-commercial purposes, including distribution through labels, monetization on digital platforms, and synchronization (TV, film, videogames, advertising). No additional royalty payments or credits to Splice or to the sound creator are required. THE ARTIST declares they downloaded the Splice Sounds used in each phonogram under an active Splice.com subscription and undertakes to provide, upon request by THE LABEL/PUBLISHER, the list of sounds and/or the corresponding Certified License.

B) SONGS WITH ADDITIONAL THIRD-PARTY MATERIAL

All songs listed in Annex 1A of this Agreement use only Splice Sounds (licensed per section A above). NOT APPLICABLE — no additional third-party composition or pre-existing recording material in any of the 12 songs.

ANNEX 4 — SIGNATORY IDENTIFICATION

This Annex 4 applies exclusively to the signatory of the Main Agreement. A legible copy of valid official ID must be attached (Canadian passport or equivalent).
